You Get What You Give

Dear Nobles:

I THANK EVERY MEMBER of our Temple for the great work done during the past year.

Aleppo's membership of 11,508 is due to the enthusiastic support of its members, placing us the fourth Temple in members in Shrinedom.

Remember that every Shriner is a distributor of good cheer and sunshine. When you attend a meeting you go there to enjoy yourself and you will find your pleasure is enhanced if you make an effort to make the occasion enjoyable for others. If you see a visiting Noble, see that he has entertainment, show him the same hospitality you would if he was a guest at your home.

The response to the assessment for crippled children is gratifying, showing that our members are willing to help the unfortunate.

Personally I do not believe a central hospital is the best way to reach the crippled kiddies. I believe the endowment of beds in existing hospitals is the solution of a grand idea.

This matter will undoubtedly be settled at the next Council meeting, and may the best plan be adopted!

I appreciate the honor of being elected Potentate for the seventh time, and promise my best efforts to be worthy.

Yours in the true Faith,

Walter W. Morrison
Potentate.

Boston, Mass.

Dear Noble:

I am just in receipt of the December 20th announcement, and am glad to find myself in complete accord with the lofty resolution offered by our Imperial Potentate for a nonsectarian Hospital for Crippled Children.

The sight of a crippled child, I am sure, touches every human heart. I was inspired by Noble Baldwin's letter, of which a copy appeared in the announcement, and I would like both the privilege and the pleasure of matching his contribution.

I therefore enclose my check for \$150. Fifty dollars of this sum is for my personal membership in the "Hospital Forever" Fund, and the additional one hundred dollars is to cover a memorial membership in this fund in behalf of every Noble of Aleppo Temple who lost his life while in the service of his country during the late World War.

I am sure all of our departed Brethren, could they be with us, would cheerfully do their part towards the high resolve that this general fund is to provide for.

Fraternally yours,

MAURICE J. BAER.

NOTICES SENT TO LAST ADDRESS ALL RETURNED

HERE'S TO LAUGHTER

HERE'S to laughter, the sunshine of the soul, the happiness of the heart, the leaven of youth, the privilege of purity, the echo of innocence, the treasure of the humble, the wreath of the poor, the bead of the cup of pleasure. It dispels dejection, banishes blues, and mangles melancholy, for it's the foe of woe, the destroyer of depression, the enemy of grief; it is what makes kings envy peasants, plutocrats envy the poor, the guilty envy the innocent; it's the sheen on the silver of smiles, the ripple on the water's delight; the glint of the gold of gladness; without it humor would be dumb, wit would wither, dimples would disappear, and smiles would shrivel. It's the glow of a clear conscience, the voice of a pure soul, the birth cry of mirth, the swan song of sadness.

Teacher — "What is wind?"
Noble Smith — "Air in a hurry."
Teacher — "What is steam?"
Noble Smith — "Water gone crazy with the heat."

"There was a young artist named Phideus,
His art was so very insideus;
He made Aphrodite
Without any nightie,
And we had to take something to stiddy us."

The Shrine

WHO would call the Shrine the highest degree in Masonry? It is not Masonry. Yet no one can be a Shriner who is not a thirty-second degree Mason or a Knight Templar.

The Shrine is not the playground of Masonry, but is a playground for Masons. It makes old men young and serves a beneficent purpose. It emphasizes Masonic fraternity. It is the Masonic smile, the Masonic sunshine society. Its principles are: Pleasure without intemperance; Hospitality without rudeness; Jollity without coarseness.

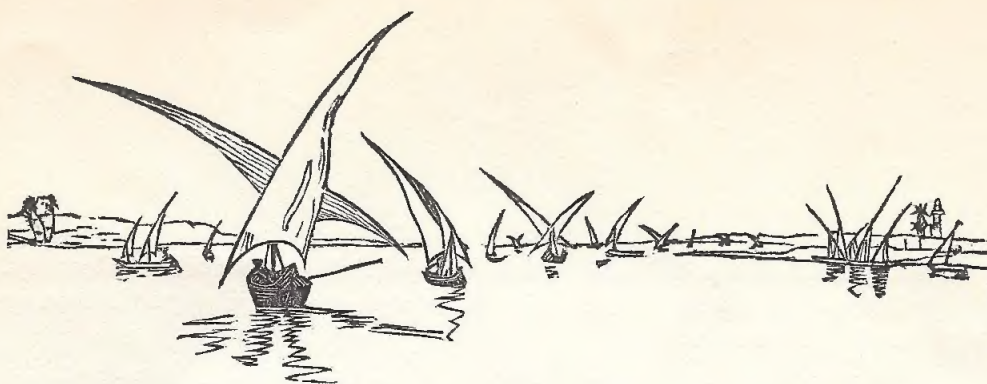

The Shrine is called an Arabic order, but Shriners do not cease to be Masons, believing in the Deity. A missionary once complained that the Shrine in North America gave encouragement to their enemies in Mohammedan countries, where we were taken seriously as Mohammedan converts. Just think of it. That Aleppo bunch, Mohammedan converts.

These complaints and misconceptions are honest, but they are pure misconceptions nevertheless. The uninitiated cannot be blamed, however, for not understanding the true object of the Shrine, when Shriners themselves often take themselves too seriously. We are Arabs "just for fun"; we worship Jehovah, the God of Love, not Allah, the god of brutality and immorality. Of all the so-called gods Allah is the most abhorrent, representing nothing that we love or respect. The alleged attributes of Allah are revealed in the Koran and exemplified in the life of his alleged prophet as transmitted to us by his contemporaries. We can neither respect, revere, nor love a god revealed in such gibberish as the Koran and exemplified in the life of so contemptible and despicable a character as Mohammed. No Arab either loves, reveres, or even respects Allah; he fears him, but is not even reverential.

Masonry is serious; it is religious; it emphasizes the Fatherhood of God and the Brotherhood of Man. That Brotherhood connotes sociability and intensest friendship. Such friendships naturally lead to relaxation. North American Masonry developed the Shrine, devoted to relaxation — pure, clean fun, and the intensifying of good-fellowship.

That is the Shrine; that is its dominant object; it has grown so rapidly and its influence has become so great that the orator justly said at Atlanta before the Imperial Council: "If there had been a Shrine in 1861 there would have been no war." We cannot conceive of the parts of the United States and Canada being separated today, bound together as they are by 150 Shrines.

Why did we assume the fez and paraphernalia of the abhorrent Turk? *Just for fun.* Why do we address God as Allah when we all believe in Jehovah and take the Bible, not the Koran, as our only rule and guide in faith and practice? *Just for fun.* We know that the Koran is false theologically, impure morally, and stupid as literature — otherwise we wouldn't poke fun at it. Oriental garments and extravagant Orientalisms in speech lend themselves readily to the fun-making of fun-makers of mature years. We ape the Oriental splendors of ancient Bagdad — *just for fun.*
